

Both Worlds | Gibraltar | Ref: G5180

£210,000

This bright and modern studio apartment comes with a peaceful private balcony, and because the property is situated right above Sandy Bay, you have immediate access to the beach from your home. The apartment is self-contained, and includes air conditioning, and fittings for Wi-Fi, and there is free parking available on the street right outside. This studio has unparalleled views of the Mediterranean Sea; this really is a lovely opportunity. This property is available on the open market.

Please note this property is currently run as a thriving AirBnB and the owner is looking to pass on the business along with the sale. Buyers are welcome to continue this lucrative business if they so wish.
